

Scholarship Guidelines

- The scholarships of the Latin GRAMMY Cultural Foundation® (LGCF) will be offered to exceptional music students interested in Latin music, preferably between the ages of 17 and 25 and with financial limitations that prevent them from studying at a prestigious music institution.
- Students interested in applying for the **Sebastián Yatra Scholarship** must be previously admitted to a four-year bachelor's degree program in Berklee College of Music in Boston for Fall 2024 and must upload their acceptance letter to the LGCF Scholarship Application.
- Students interested in applying for the **Gifted Tuition Scholarship** and **Tuition Assistance Scholarship** must be previously admitted to a four-year bachelor's degree program at the college or university of their choice and must upload their acceptance letter to the LGCF Scholarship Application.
- All interested students must complete the application process by the deadline of **April 10th, 2024, at 11:59pm ET.** Applications that are late, incomplete, or not within the guidelines will not be reviewed.
- The scholarship selection and award process will be guided by a Scholarship Committee formed by Latin music experts elected by the LGCF.
- Each applicant must submit YouTube links of two (2) video auditions playing two (2) pieces of Latin music genres as a soloist, with an accompanist or a small ensemble. The first piece performed should be in a medium tempo and the second piece in a fast tempo. If you can, improvise a minimum of two choruses. Improvisation is not a requisite, but it is welcomed. The two required pieces should not last more than 15 minutes. Original compositions can be included as a third optional piece. All applicants must clearly identify themselves in all recordings so that the Scholarship Committee can fairly identify the applicant and evaluate each performance.
- Each applicant must submit two (2) letters of recommendation from the applicant's music teachers or music instructors describing the applicant's academic and musical performance levels.
- Payments of Scholarship Awards will be made by the Foundation directly to the music institution on behalf of the scholarship recipient and will be made on a semester basis. Awarded students must send to the LGCF their official student invoices and payment calendars of their music institutions upon receiving notification of the scholarship.
- If the applicants have been also awarded scholarships by their music institution or other organizations, they must upload their awarded scholarship letters to the LGCF application.
- The LGCF reserves the right to ask the applicant for additional information.
- The LGCF does not discriminate on the basis of race, sex, religion, national origin, disability, or age.
- All LGCF scholarships must be used within a maximum of 6 months of being awarded (start on Fall 2024 or no later than Spring 2025).
- Please note that all applicants who receive awards from LGCF must comply with our *Student Scholarship Terms and Conditions Contract* below.
